Target for NRHM

868. SHRI K.E. ISMAIL:
SHRI D. RAJA:

Will the Minister of HEALTH AND FAMILY WELFARE be pleased to state:

(a) what are the targets fixed for the National Rural Health Mission (NRHM) for the year 2008-09; and

(b) the steps begin taken to achieve the target and the achievements so far?

THE MINISTER OF STATE IN THE MINISTRY OF HEALTH AND FAMILY WELFARE (SHRIMATI PANABAKA LAKSHMI): (a) There is no target fixed for the year 2008-09 under NRHM. However, the expected outcome for the entire Mission Period has been fixed which are as follows:

- IMR reduced to 30/1000 live births by 2012.
- Maternal Mortality reduced to 100/100,000 live births by 2012.
- TFR reduced to 2.1 by 2012.
- Malaria Mortality Reduction Rate - 50% up to 2010, additional 10% by 2012.
- Kala Azar Mortality Reduction Rate - 100% by 2010 and sustaining elimination until 2012.
- Filaria/Microfilaria Reduction Rate - 70% by 2010, 80% by 2012 and elimination by 2015.
- Dengue Mortality Reduction Rate - 50% by 2010 and sustaining at that level until 2012.
- Cataract operations-increasing to 46 lakhs until 2012.
- Leprosy Prevalence Rate -reduce from 1.8 per 10,000 in 2005 to less than 1 per 10,000 thereafter.
- Tuberculosis DOTS series - maintain 85% cure rate through entire Mission Period and also sustain planned case detection rate.
- Upgrading all Community Health Centers to Indian Public Health Standards.
- Increase utilization of First Referral units from bed occupancy by referred cases of less than 20% to over 75%.
- Engaging 6,00,000 female Accredited Social Health Activists (ASHAs) etc.

(b) Since the launch of NRHM, several activities have been undertaken under NRHM like strengthening institutional mechanism at State, district and sub-district level, financial support at village, Sub centre, PHC, CHC, sub-district, district and State level for better utilization of health services; prevention and control of communicable and non-communicable diseases; revitalizing local health traditions and mainstreaming AYUSH etc. Considerable progress has been made. The Institutional Framework of the NRHM has been established and operationalised in various States and Districts. Health Missions have been constituted in all States/UTs. The expected target of selection and positioning of Accredited Social Health Activists (ASHAs'), has been far exceeded. More than 6.24 lakh ASHA have been selected and 5.54 lakh ASHAs have been positioned in villages after orientation training. Merger of societies has been completed at the State level and at the district level. The State-wise achievement of some of the critical activities under NRHM, as reported by the States/UTs is given in the Statement.

Statement

State-wise achievement of some activities under NRHM

National Rural Health Mission

Status as on 31st August, 2008
